

Working Toward Spiritual Marriage

This can be done at any stage, whether you are currently married or not.

1. **Read** the Lord's Word to better *understand* His ways.
2. **Obey** the Lord's commandments.
3. **Reject** whatever influences oppose the ideals of marriage.
4. **Serve** the neighbor with the talents the Lord has given you.
5. **Pray** for the Lord to bless your marriage, making it a lovely partnership with one. (This can be done at any time.)
