

Making All Things New

He who sat on the throne said, "Behold, I make all things new" (Revelation 21:5).

As we develop a clearer understanding of the Lord's Word, we will be able to make better use of His wondrous truths to renew our lives. Is there a teaching about the Lord, eternal life, marriage, the spiritual meaning of the Word, or true love of the neighbor that could help you reinvigorate some aspect of your life? Choose one teaching or idea and write about how it is helping you or could help you with setting goals for your life, your relationship with the Lord, a relationship with someone you love, *etc.*
