

Maps of Swedenborg's Journeys

These maps were originally printed on tabloid size paper (11 inch by 17 inch sheets). We suggest enlarging them on a photocopier to make it easier to see the fine detail provided here. The research and drawings were done by M. Elizabeth M. Hallowell.

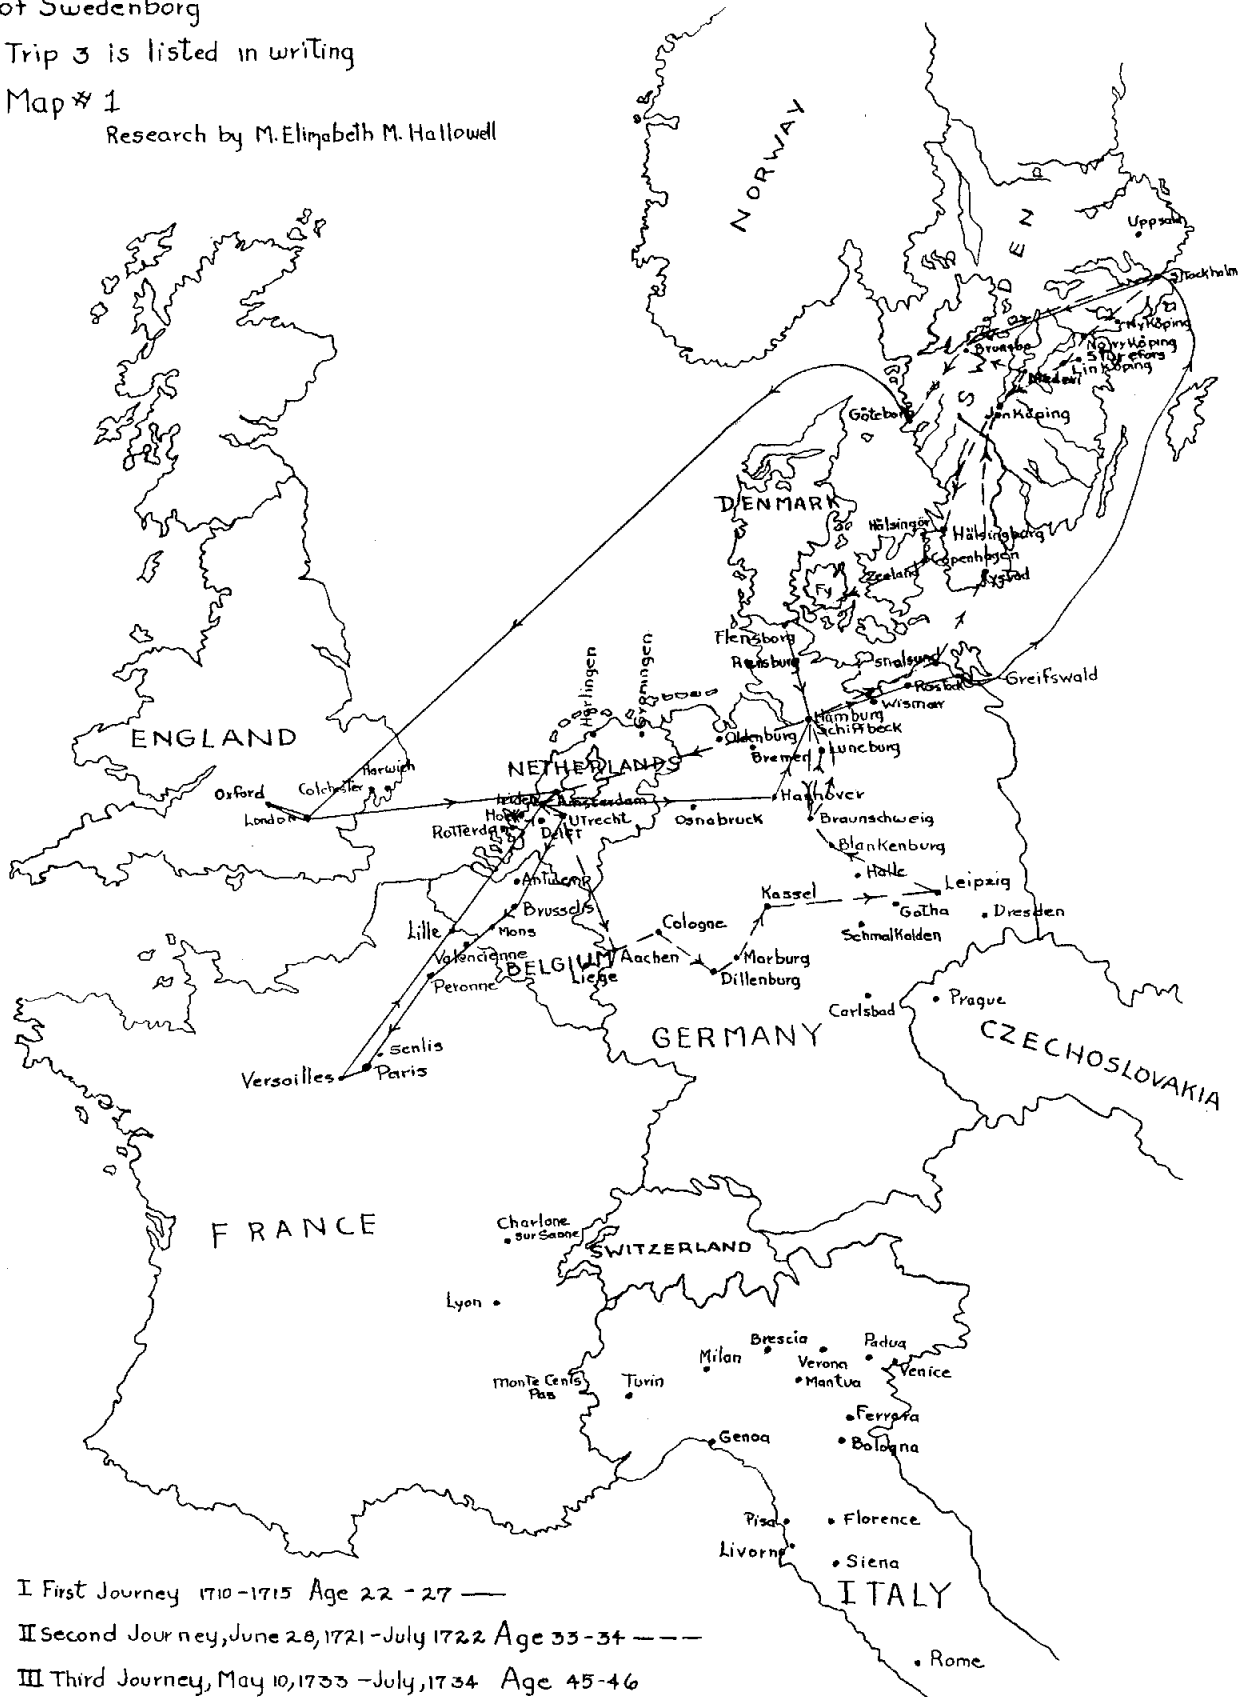

Map With the first 3 Journey's

of Swedenborg

Trip 3 is listed in writing

Drawing and research by M. Elizabeth M. Hallowell

Map # 3

Encircled Drawings are places visited or inhabited by Swedenborg. Other drawings are to show some scenes characteristic of the area. There are also a few costumes of some of the provinces.
