

A SHEPHERD AND HIS SHEEP

Materials:

blue construction paper
oil pastels or wax crayons
white poster paint
sponge cut into the shape of a lamb

Motivation:

Talk about sheep following the Lord as their shepherd. They want to be near Him, don't they?

Procedure:

1. Write "The Lord is my Shepherd" at the top of the picture.
2. Use crayons or oil pastels to draw the shepherd holding his staff.
3. Make green grass to show the pasture for the sheep.
4. Dip the sponge (cut to suggest the shape of a lamb) into white poster paint, then press the sponge onto the paper to make the sheep.
5. When it dries, this paper can be mounted on a larger piece of construction paper for display.
