David's Feelings

1 Samuel 18, 19

David had many different experiences. Some were happy, but some were not. Imagine how David felt at each point in the story. Draw a line to connect the faces that show best how David felt as each event happened. Notice how much David's feelings changed.

Just as David had good and bad feelings throughout the story, we have good and bad feelings throughout our lives. It's important to remember that the bad times will end, and will be happy again, especially if we trust the Lord!
