

Saul's Levels of Evil

This story is about Saul turning from the Lord and making more and more mistakes. The list below tells some of the bad things Saul did that the Word tells us in 1 Samuel 18-19. Rank them in order from the least evil thing to the most evil thing (1 = least evil, 9 = most evil). It may be difficult to tell which evils are worse than others. You may notice that one “less” evil action often leads to a “more” evil action.

- _____ Saul becomes jealous of David.
- _____ Saul throws a spear at David while he is playing music.
- _____ Saul hopes David is killed while fighting the Philistines.
- _____ Saul tries to get his servants to kill David.

- _____ Saul sends messengers to David’s house to kill him.
- _____ Saul orders that David be brought to him so he can kill him himself.

Have you experienced a time when one bad feeling led to you doing other wrong things?

What could you do to stop feeling and doing bad things?

What could Saul have done to stop feeling and acting in bad ways?
