

Celebrating Thanksgiving

Here are two pictures showing a Thanksgiving celebration like one might see in Canada or the United States. The first shows a church service in which families are bringing fruit offerings to the minister who is representing the Lord. The second picture shows a family enjoying a feast with delicious food. How do you celebrate your thanksgiving or harvest festival? How does it compare to what is shown here?

You could color the pictures provided here and then glue (or tape) them to a poster board to show two aspects of a Thanksgiving celebration. Or you could make a picture of your own family enjoying a feast to celebrate the harvest.
