

## Crown of Angels

### Directions:

1. Angels and gems can be colored. One option is to glue sequins on where there are circles.
2. Cut out the five pieces (2 bands of angels and 3 strips).
3. Glue bands of angels together as shown at ends to make ring of angels.
4. Cut slit in middle of long band of gems.
5. Fold pointed ends of short bands back.
6. Glue them back-to-back.
7. Fit this end through slit in the long band.
8. Curve all four bands down and glue or tape them onto the inside of the ring of angels, making a crown.
9. Glue sequin "diamonds" on the angels' necklaces and crowns and on the gems on the bands.
10. Punch hole in the pointed top and with a thread or thin string hang the crown over your Word.
