

David and Goliath Diorama

I Samuel 17

Create a diorama that shows David fighting the Philistine giant, Goliath.

1. Print this project on stiff paper.
2. Color the pictures of David and Goliath, and the background.
3. Cut out David and Goliath, being careful not to cut off the tabs at the bottom.
4. Fold the background along the dashed line in the center so that the bottom sits in front of the hills.
5. Fold the tabs on the David and Goliath figures back.
6. Stand the figures against the hills.
