

Ideas for Celebrating Easter

EASTER DISPLAYS FOR YOUR HOME

By making one or more of the projects described below, we can illustrate the true message of Easter. This lovely illustration by Wendy Soneson shows several family projects that focus on Easter. Can you find:

- A child's picture of the Lord and His disciples at the Last Supper?
- A figure of the Lord riding on the foal?
- A representation of the Palm Sunday procession with "palm" branches and garments?
- An Easter representation with an angel sitting on the rock near the tomb?
- A child's picture of Mary seeing the risen Lord?
- Easter decorations made with eggs?
