

EGG CARTON DRAGON PUPPETS

A Project from the Kempton New Church School

*“And another sign appeared in heaven:
behold, a great, fiery red dragon
having seven heads and ten horns,
and seven diadems on his heads.”*

Revelation 12:3

Materials

egg cartons
wooden dowel rods
red paint
paper for crowns and horns

Procedure

1. Paint the egg cartons with the red paint.
2. Use a section from a Styrofoam egg carton to make each eye, adding a black dot on top.
3. Make a crown with gold paper and horns with pink or gray paper. (Because the dragon had 7 heads and 10 horns, one of the dragon heads here is shown with 2 horns.)
4. Attach the upper and lower jaws of the dragon to the wooden dowel rod so that the dragon’s mouth can stay open.
