Hosanna

"Hosanna! 'Blessed is He who comes in the name of the Lord!'" (John 12:13)

"Hosanna" means "Save us, we beseech You!" or "Save us now we pray!" Only the Lord can save us from our spiritual enemies—evil thoughts and loves that would keep us from looking to the Lord and following Him.

Reflect on why we need to *ask* the Lord to save us? If He loves us all, why doesn't the Lord save us without our petition?
