

# Friendship Heart Card

When friendship and mutual trust join together with the first love in marriage, conjugal love results, which opens the partners' hearts and inspires in them the sweet enjoyment of love.

Completed  
Project

You can write your own message on this side of the heart, if you wish. ➔

## Instructions:

1. Fold paper along the central dotted line with **pictures on the outside**.
2. Fold again along the other dotted line.
3. Cut the four layers of paper along the half-heart outline.
4. Spread the card out flat and then fold the two sides inward like doors so they cover the picture.
5. Cut out the "Friendship" and "Trust" hearts and paste one of the hearts on each side of the "door." Or choose and write out your own words.
6. Color as desired.
