

Directions: Color this scene of the garden of Eden. Then cut out the trees and figures and fold back the flap. Glue them, matching the proper letters. If children are too young to cut out or color, parents might do this for them. The trees might need strips of cardboard on the back to support them.

THE GARDEN OF EDEN

This is a picture of the garden of Eden, in which there were all manner of trees and animals, and into which the Lord placed man - Adam and Eve. There were two special trees - the Tree of Life and the Tree of the Knowledge of Good and Evil. Adam could eat freely of every tree, except the tree of the knowledge of good and evil. However, the serpent persuaded Eve, who in turn gave the fruit to Adam. Because they ate the fruit they disobeyed the Lord, and had to be put out of this beautiful garden. Genesis 2:8-10; 3:1-24
