The top menu bar has links to information about GCED's mission, affiliated schools, and department.

Homepage features update regularly and showcase a variety of resources.

Highlight features have links to multiple resources on a single theme, similarly to the original New Church Vineyard site.

Begin searching the resource database by using the four buttons on the left hand menu. Other choices are a keyword search or going directly to the advanced search.

Make your selections from the dropdown menus. For example, you could choose a Topic, such as Christmas, or a Bible Reference, such as Luke 2.

The Advanced Search Page offers additional dropdown menu choices. Every choice you make narrows the search, so it is best to start by making 1-2 search choices, and then refining the search as needed. The number of results from a search is shown just above the advanced search choices.

The advanced search choices include activity type, age level, contributor (author or artist), and language. These can be used individually or combined with each other and the homepage choices.

The CLEAR & UPDATE RESULTS buttons are important! CLEAR previous searches before starting new ones.

Refine keyword searches using these options.

The search buttons from the homepage are still available in the left hand menu. They can be used in combination with the advanced search choices.

The screenshot displays the advanced search interface on the New Church Vineyard website. At the top, there are navigation links: WHY NEW CHURCH EDUCATION, ABOUT, SCHOOLS, RELATED SITES, CONTACT, and GIVE. Below the navigation is a search bar with a 'CLEAR' button and an 'UPDATE RESULTS' button. The search bar contains the text 'Search by Keyword'. Below the search bar are three radio button options: 'Exact Phrase', 'All of these Words' (which is selected), and 'Any of these Words'. To the left of the search bar is a 'Resources For...' dropdown menu. Below that is a 'Topics' section with a list of checkboxes: 'A Life of Religion', 'Christmas' (checked), 'Divine Providence', 'Easter', 'Eternal Life', 'Loving the Neighbor', 'Marriage', 'Thanksgiving', 'The Lord', 'The New Church', 'The Word of God', and 'Worship & Prayer'. Below the topics is a 'Bible Reference' dropdown menu. On the right side of the page, there are 'REFINE BY' filters: 'Project', 'All Ages' (with a dropdown menu open showing options: 'Up to Age 3', 'Ages 4 to 6', 'Ages 7 to 10', 'Ages 11 to 14', 'Ages 15 to 17', and 'Ages 18 and up'), 'All Contributors', and 'English'. Below the filters, there are search results. The first result is 'The Angel Appearing to Mary' with a description: 'Use oil pastels and watercolors to create a scene of the Angel Gabriel appearing to Mary.' The second result is 'Baby Jesus in a Manger Scene' with a description: 'A simple representation of the nativity which shows the baby Lord, Mary, Joseph, and two sheep.' The third result is 'Baby Lord with Sheep Trip-tych' with a description: 'When finished, the triptych pictures sheep on either side of the baby Lord in the manger.' The fourth result is 'Christmas Crossword Puzzle'.

The search results are listed by title. Most resources are PDFs and will open in a new window. Information, some of it linked, appears below the resource titles.
