

***Directions for Making this New Church Day Decoration—to display as is or in front of a candle:***

1. Color the Holy City, New Jerusalem remembering that the city is gold and the gates are pearls.
2. Cut around the outside edge, then fold along the dotted lines and bend back so that it will stand. (If you are placing it in front of a candle, you may also want to fold in the center so that it surrounds the candle.)

*I, John, saw the holy city, New Jerusalem coming down out of heaven from God...  
Revelation 21:2*
