Chorus

I'm Joseph your brother! Is father alive?
I'm Joseph your brother, sent here to save lives.
I'm Joseph your brother, see Benjamin's here!
So happy to see you all, please, please come near!

Joseph made all of the people go out.
He cried out aloud and without any doubt,
"I'm Joseph your brother, do not be alarmed
God sent me to Egypt to save you from harm."

Chorus

For two years the famine has been in the land.
Five more years of hunger remain in God's plan.
God sent me before you so He could save lives!
Come live here in Egypt with your flocks and wives!
