

In the Name of the Lord

*All people walk in the name of his god, but we will walk
in the name of the Lord our God forever and ever (Micah 4:5).*

We walk in the name of the Lord when we act in ways which honor His qualities. The Lord gives us the ability to see and appreciate these qualities by learning about Him in the truths of the Word and recognizing all that He does for us.

Think about one of the Lord's qualities such as His love, providence, mercy, wisdom, or compassion, *etc.* Then reflect on ways that you can walk in His name by appreciating this quality and honoring it in your life.

Who shall not glorify Your name? For You alone are holy (see Revelation 15:4).

Write a prayer asking the Lord to help you walk in His name.
