

Lesson 30: JOHN THE BAPTIST PREPARES THE WAY

LUKE 3: 1-20

Lesson 30-A

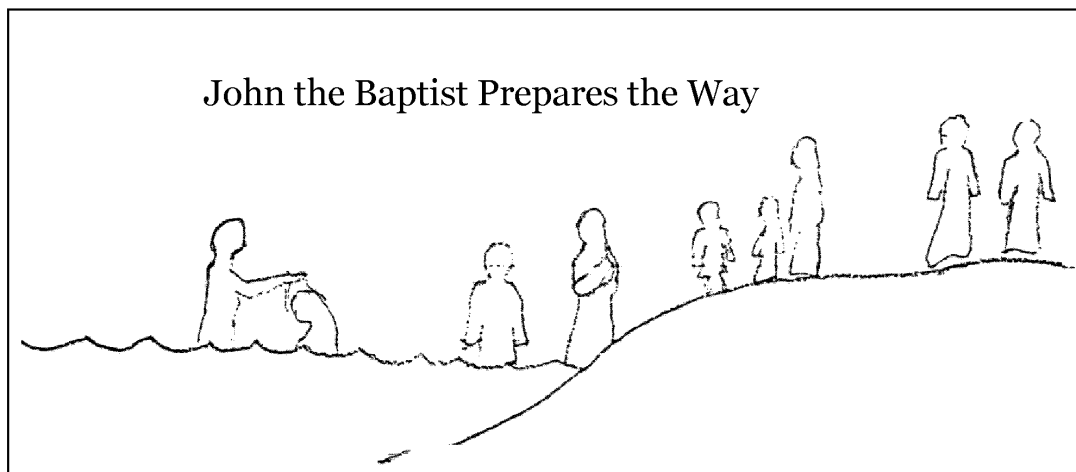

READING: Take turns reading verses aloud from **Luke 3:1-20**

PROJECT: Felt Banner

Flannel banner of John baptizing the people.

Supplies: One large piece of light blue flannel for the background. Enough dark blue and green flannel to make water and ground. Smaller pieces of flannel in many colors.
Letter stencils
Tacky glue

Can make some water flowing out of John's hands into the woman's head.

Let the children use the patterns and stencils to cut pieces out of flannel to create a banner something like this. You may want to leave a little space at the top for hanging purposes.

Lesson 30-B (optional)

If the children have chosen to add clothing or other details to the people, you may need a second week to finish.

READ: Book entitled *Jesus and John the Baptist (People of the Bible)* by Catherine Storr. (This book is out of print but used copies are available online.)

PROJECT: Finish the banner.
