

## Joshua and the Twelve Stones

1. Cut out twelve stones from gray construction paper.
  2. Glue them onto the picture below.
  3. Cut the off the directions at the dotted line below.
  4. Color the picture.
- 

Then Joshua set up the twelve stones in the midst of the Jordan,  
in the place where the feet of the priests who bore the Ark of the Covenant stood;  
and they are there to this day.

Joshua 4:9
