

Birds fly, and we can learn to fly spiritually!

Color before cutting
Cut out two birds and two wings.
Cut out two angels.
Glue the bird bodies together, inserting
a 20 inch string where indicated.

DO NOT GLUE TAILS TOGETHER!
Open or spread apart tails.
Fold wings and add a dot of glue.
Press glue part onto bird on either side.

Now glue the angels together,
around the string, near the top,
but **DO NOT** glue their wings,
so that you can spread them apart.

Now you can hang this in your room
to remind you of the LORD.
