

HAND MOTIONS

for

The Little Lost Lamb Song

by Lori Odhner

Here are some suggested hand motions to help your child remember the words.

A man had a hundred sheep,  ( = )

but one of them was lost, 

So he left the ninety-nine, 

to look for his little lost lamb 

And he found it, and he found it! 

And he laid it on his shoulders. 

He was happy, he was happy, 

(Rubbing your chest in an upward movement is American Sign Language for "happy.")

So he called his friends and neighbors, 

"Be happy  with me, 

for I found my little lost lamb!'
