

## **The White Horse Cake**

*Now I saw heaven opened, and behold a white horse. And He who sat on Him was called Faithful and True (Revelation 19:11).*

*A white horse symbolizes how we understand the Word (see Apocalypse Explained 355).*

Bake a cake in a 9" X 13" pan, cool, and ice with white frosting.

Gently lay a template of a horse (see attached) on top of the cake, and then sprinkle with colored sugar so that when you lift away the template you have a white horse design.

- Another option would be use colored frosting, make a horse stencil rather than a template, and sprinkle powdered sugar to make a white horse on the cake.
- Or use the stencil or template to outline the horse with cake decorating gel or piped frosting on a white cake.

### **New Church Day Cupcakes**

You could also bake cupcakes, frost them, and then use cake decorating gel to write a letter on each one so that when you put them together, they spell H-A-P-P-Y N-E-W C-H-U-R-C-H D-A-Y.

Make your own horse template or use this as a guideline for cutting a template (cut around the horse) or stencil (cut away the body of the horse) for making the White Horse Cake.
