

## Making Good Choices in Our Lives

Each day presents us with many choices. How might questions like these help us to set priorities?

- What does the Lord want me to do?
- What would an angel do (in this situation)?
- How can I help my neighbor (family, church, heaven, the Lord)?
- Is this \_\_\_\_\_ (book, TV show, game, *etc.*) for or against the Lord?

Can you think of some more questions that can help us set good priorities in our lives?
