

MOSES WENT TO SINAI'S PEAK

1. Mo - ses went to Si - nai's peak. There he heard Je - ho - vah speak.
2. A - ges passed and hearts grew cold; we for - got the laws of old.
3. Now the Lord has come a - gain, teach - ing truth to guide all men.

Ten com - mand - ments He did give, tell - ing us the way to live.
God came down from heav'n a - bove, born on earth to teach us love.
Now in light we all may see: God is one; the Lord is He.
