

Passing the Rock

Pass a beautiful rock around from one person to another. When it is your turn to hold the rock, say one truth from the Word. You can paraphrase the idea or quote a favorite passage. As part of this activity, consider ways of bringing this truth into your life. Does this truth suggest a way of thinking, behaving or talking with others?

When we use the truths of the Word in our daily lives, we are taking small steps toward building the Lord's church in ourselves and making the earth a little bit more like heaven. Another way of saying this is that the church grows within you as you do what is true!
