

Peace on Earth Ornament

This is a lovely project to make as we celebrate the Lord's coming into the world.

Materials

clear glass ball ornament
blue acrylic paint
green acrylic paint
gold or silver metallic marker

Procedure

1. Put some of the blue acrylic paint inside the ornament and swirl around.
2. Repeat with the green acrylic paint. This will suggest oceans and continents.
3. Use the gold or silver metallic marker to write a quotation on the outside of the globe such as:

"Peace on earth, good will to men" (Luke 2).
