A Picture of the Angel Gabriel

Project 1:

1. Draw a picture of the angel Gabriel. You may want to show the angel holding his arms up as he talks to Mary.
2. Show the angel smiling as he gives Mary the wonderful message that she is to give birth to the baby Lord!
3. Use yellow crayon or marker to show the light around the angel.
4. To make the picture extra special, you could put glitter around the angel.

You may want to add this text slip to your finished project:

> "Behold, you will bring forth a Son, and shall call His name Jesus."
> *Luke 1:31*

Project 2:

If you prefer, you can use the picture provided (see next page).

1. Make a happy face for Gabriel, because he is bringing Mary good tidings.
2. Use a yellow crayon or marker to show light surrounding the angel. Or use gold glitter.

Note: If you print the picture onto cover stock, you can put opalescent glitter on the angel's clothing to make it shine!

Project 3:

1. Use the angel picture as a template to cut out the angel and glue it onto a colored piece of construction paper.
2. Then make a happy face on the angel, put glitter around him, and add the text as suggested above.

"Behold, you will bring forth a Son, and shall call His name Jesus."

Luke 1:31
