

Picture Someone Who Is in Heaven

Do you have a grandparent, aunt or uncle, or friend who is in the spiritual world? Talk about what this person might be doing there. How would he or she be useful to others? What kinds of things do you think this person is enjoying doing for recreation? Now draw a picture of him or her in heaven. Remember that there is no illness or old age in heaven, so make this person young and healthy!

A variation of this is to imagine someone who has died after a long life here on earth. Imagine the ways this person loves to help other people. Imagine what this person likes to do for fun. Does he like to ride horses or play a violin? Does she like to draw or plant flowers? After you develop an idea of this person here on earth, draw a picture of him or her in heaven, doing something he or she loves to do.
