

Samson's Death

Judges 16:23-30

Script for a Play

Lords of the Philistines: 'Our god has delivered Samson our enemy into our hands!'

The Philistines make merry.

Philistine people: Call for Samson, that he may perform for us.

*Samson is brought and placed between two pillars
A lad stands by him, holding his hand.*

Samson: Let me feel the pillars...so that I can lean on them.

[The lad helps Samson come near the pillars.]

Samson: O Lord God, remember me.... Strengthen me...just this once.

Samson takes hold of the two middle pillars.

Samson: Let me die with the Philistines!
