

Prayers for Those in Spiritual Darkness

O Lord Jesus Christ,
we pray for those who walk
in the darkness of ignorance.
Your Word, O Lord,
is a lamp to our feet and a light to our pathway.
Without it we stumble through life,
forever at risk of spiritual harm and pain.
But Your light shows us the ways in which we should walk;
it guides us through our human difficulties
and lifts our minds above the mere present
into the contemplation of eternity.
There are many, O Lord,
who still walk in darkness,
and our prayer is that they may be lifted
and enter into the brilliant light of Your Word.
Amen.

O Lord
Jesus Christ,
we pray
for the millions of people in this world
who labor in spiritual darkness.
We give you thanks and praise
for bringing us into the light of your Word.
Help us, O Lord,
to become instruments
to bring your light to those in darkness,
that they may know the light and rejoice.
Take away our fears of what people might say,
and make us eloquent in expressing Your truths,
that through us others may learn,
and Your kingdom
may be established on this earth.
Amen.
