

Christmas Prayers

Our Lord God Jesus Christ, You are the source of all gifts, since the desire to do good things flows entirely from You. Nevertheless, if we offer our gifts from a full heart, they may become a part of us. Teach us to bring such heartfelt gifts to You. Accept the gold of our love for You, the frankincense of our love for Your truth, and the myrrh of our obedience to Your will. Everything of worship begins with these three things, and like the wisemen of old, we would come to fall down before You and worship. Amen.

Lord, We are walking in the darkness, waiting and hoping for Your light to shine on us. We need the light of Your star—the heavenly knowledge of what is good and true—to guide us on our journey through this life. Come, we pray, be born in our lives and be with us. Amen.
