

## Prayers for Children

Teach us, O Lord, to worship You. Make our hearts pure, our thoughts clean, and our spirits humble. Help us to listen carefully to the teaching of Your Word, so that it may be written upon our hearts, and we may learn to love only what is right in Your sight, now and forever. Amen.

O Lord, breathe into us the love of Your truth, so that we may be near You, obeying Your commandments in simplicity of heart, and loving You above all things. Amen.

Heavenly Father, help us to love one another as You love us, to be merciful to one another as You are merciful, and to forgive one another as You forgive us, so that we may follow You all the days of our life. Amen.

O merciful God, help us to be truly thankful to You, everyday, for all Your many blessings. Make us worthy of Your goodness toward us. Teach us how to rightly use the things that You have given us, that we may be Your faithful servants. Amen.

Lord, help us to be inspired by Your Word and guided to do what is right, to love one another as You love us, and to follow You so that we come in to Your heavenly kingdom one day and live with You there. Amen.
