

## Children's Prayers on Worshiping the Lord

Lord, let us worship You in the beauty of holiness and call on Your name with joy. Amen.

Lord, we ask You to draw near to us, so that Your presence may give us light, and we may learn from Your Word the way to heaven. Amen.

Oh come, let us worship and bow down; let us kneel before the Lord our Maker. For He is our God, and we are the people of His pasture. Let us hear His voice and sing joyfully to the Rock of our salvation. Amen.

Lord, let me receive Your love and charity, that I may live in loving worship to You, today and forever. Amen.
