

Prayers of Thankfulness for the Lord's Blessings

O merciful God, help us to be truly thankful to You, everyday, for all Your many gifts. Make us worthy of Your goodness toward us. Teach us how to rightly use the things that You have given us and to receive with gladness Your heavenly blessings. Amen.

Lord, we know that all love and faith come only from You. These are our truest blessings, for in receiving them, we are conjoined with You, and this is the source of all happiness. Amen. (see Heaven and Hell 364).
