

Christmas Prayers

Heavenly Father,

Let us rejoice
with exceeding great joy
as we remember
Your birth into the world.

For You are the root
and offspring of David,
the bright and morning star
who brings light to all people.
Amen.

Our Lord God Jesus Christ,

Help us to remember that the external gifts
of Christmas are symbols of internal gifts
that are offered from the heart.

Teach us to bring such internal gifts to You.
Accept the gold of our love for You,
the frankincense of our love for Your truth,
and the myrrh of our obedience to Your will.
Amen.
