

Teen Prayer for Marriage

Lord, heavenly marriage is one of the greatest treasures You give, and it is Your wish that all people experience its joy. I believe that You are leading me toward an eternal union of innocence, peace, tranquility, inmost friendship, complete trust and a love that wishes everything good for the other person. Teach me to keep Your commandments, so that I may become a wise and loving partner, ready for the blessing of a marriage that will last to eternity.

Amen.
