

## Prayers for Teens on the Lord's Harvest

Lord, You are the sower of heavenly truths in our minds. We pray that You will sow these seeds in us, so that we may bear fruit for You by living good lives of following Your Word and loving the people around us. Amen.

Merciful Father,  
Help us to thank You, everyday,  
For all Your many blessings.  
We gratefully acknowledge Your providence  
In the harvest of the earth,  
And in the harvest of loving hearts and minds.  
Make us worthy of Your goodness toward us,  
And teach us to use Your gifts rightly.  
Open our hearts to receive  
Your heavenly blessings with gladness,  
So that we may know and understand Your Word  
And bear fruit to You in our lives,  
Here and in Your heavenly kingdom forever.  
Amen.

Lord God Almighty, You taught us to share the bounty of the earth with the poor and the stranger. Help us to remember that all good is really from You and not from ourselves, so that we may serve those around us with true humility and love. Amen.
