

## The Birth of Samuel

(adapted from a Family Lesson project for 1 Samuel 1)

### Introduction

This project illustrates the story of Samuel's birth. His mother, Hannah, prayed to the Lord for a baby boy. If the Lord answered her prayer, Hannah promised that her son would give him to the Lord. The Lord answered Hannah's prayer and baby Samuel was born. When he was a little older, she took him to the Tabernacle to serve the Lord with a priest named Eli.

### Procedure

1. Print the picture of Hannah and the Lord and the page with baby Samuel. (Printing or mounting on heavier paper would be ideal for this project.)
2. Cut out the baby and the tab.
3. Glue the tab to the back of Baby Samuel.
4. Cut the dotted line in the picture of Hannah with the Lord.
5. Put the tab through the slit in the paper, from the front to the back.

### Retelling the Story with the Project

Slide Samuel from the Lord to Hannah to show that He gave the baby to her. Then slide to the Lord because Hannah promised that she would give Samuel back to him.

**"I will give him to the Lord  
all the days of his life."**
