Learn by Doing

Choice Creation Mobile

Review the story of creation by making a mobile that shows the Lord and what He made on each day.

1. Give each child the *Creation Mobile Lord* p. 7 and *Creation Mobile Circles,* pp. 8-9. Color all of the pieces.
2. Cut out all of the pieces.
3. Reinforce the Lord's arms so they can support the weight of the circles by taping a popsicle stick to the back of each arm. See picture in right-hand margin.
4. Have the children arrange the circles in order of the days of creation. See how much they can remember. (Ordering key: 1. light/dark. 2. waters divided. 3. land/plants. 4. sun/moon/stars. 5. birds/fish. 6. animals/man. 7. God rested.) Try to give clues that encourage thinking without giving out answers, for example, "What do plants grow in?" (dry land).
5. Once the days are in order, arrange them as shown above.

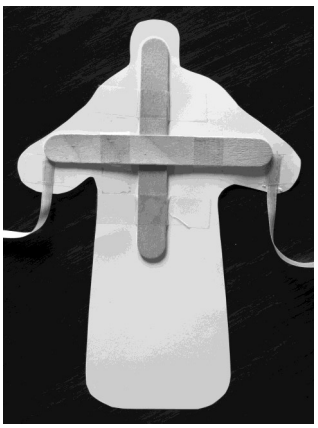

6. Tape ribbons/yarn to the Lord's hands. Tape the circles to the ribbons, spacing them evenly. Tape 12" (30cm) ribbon to the back of the Lord's head for hanging.

Materials for Each Child

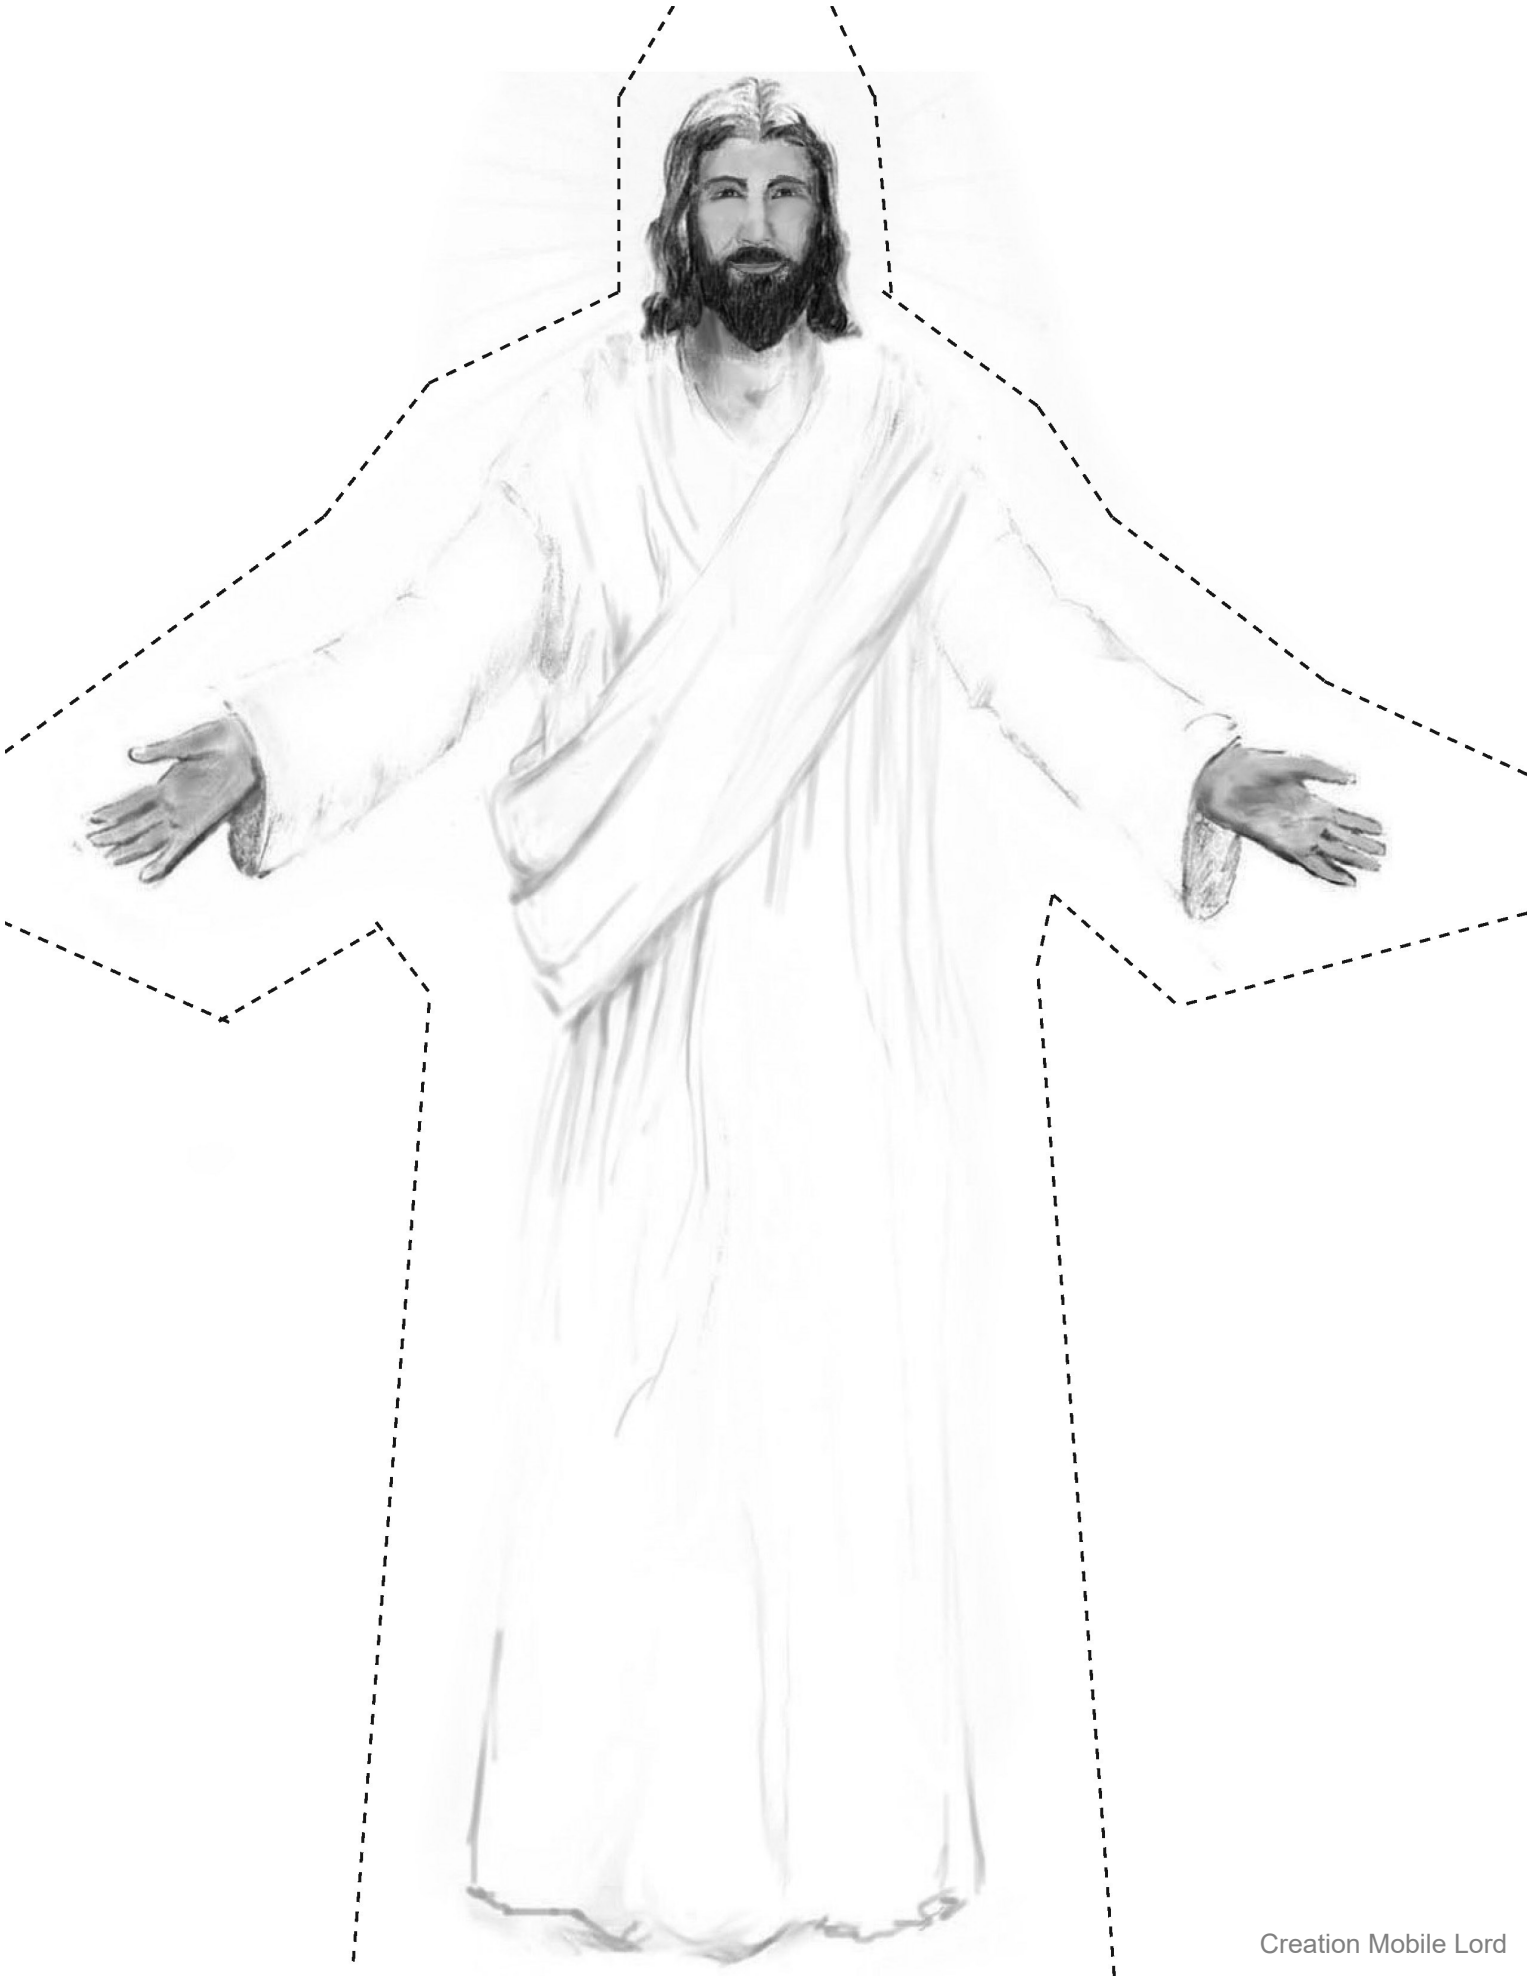

copy of *Creation Mobile Lord* p. 2 and *Creation Mobile Circles* pp. 3-4 printed on stiff paper, scissors, 2 popsicle sticks or strips of cardboard, crayons or markers, 2 pieces of ribbon or yarn 18" (45cm), 1 piece of ribbon or yarn 12" (30 cm), tape

Prepare in Advance

Print pp. 2-4 on stiff paper. Cut ribbon or yarn into 18" (45cm) lengths. Cut 12" (30cm) lengths for hanging the mobile.
