

Elijah's Ascension Mobile

2 Kings 2:1-25

Materials Needed

- one copy of Elijah and the Chariot of Fire and the Whirlwind printed on stiff paper
- cotton balls, batting or tissues to make clouds
- square of fabric or paper for Elijah's mantle
- dowels or hangers to make a mobile
- string or yarn for hanging
- tape
- scissors

Directions

1. Cut out the pictures of Elijah in the chariot of fire on page 2.
2. Cut out the spiral for the whirlwind on page 3.
3. Make four clouds from paper, cotton balls or cotton batting.
4. Make a mantle for Elijah from paper or cloth.
5. Use dowels or hangers to form a mobile from which to hang your project.
6. Place a piece of string over the back of one picture of Elijah. Make sure it is long enough to hang down into the mobile. Tape in place.
7. Tape the pictures of Elijah together back-to-back so the string runs between them.
8. Tie the top of the string to the middle of the sticks.
9. Tape the whirlwind to the bottom of the string.
10. Attach a length of string to each corner of the mobile. Hang a cloud from the ends of each string.
11. Hang Elijah's mantle from one of the clouds.
12. Balance the mobile by moving the pieces towards or away from the center of the sticks.
