

## John Baptizes Jesus

Illustrate John baptizing Jesus in the wilderness.

### Supplies:

1 printed page  
1 piece of green paper  
1 piece of blue paper  
crayons or markers  
scissors  
stapler  
glue  
tape

### Project instructions:

1. Color the pictures of John the Baptist, the Lord and the Dove. Cut them out.
2. Cut one long side of the blue paper in a wavy line to create the Jordan River.
3. Fold the blue paper in half lengthwise.
4. Slip the folded blue paper over the green paper. Staple the uncut side of the blue paper to the green paper. This is the back of the project.
5. On the front side of the project, staple the side edges of the blue paper to the green paper to form a pocket. The blue paper is the Jordan River.
6. Glue the dove to the top center of the green paper.
7. Tell the story of the Lord's baptism by putting the figures of John and Jesus into the river.
8. If you wish, draw bushes, grass, trees, hills, etc. on the green paper beside the river.

John the Baptist

Dove

The Lord
