

# Joseph and the Coat of Many Colors

Genesis 37

*Fun project to make Joseph and his coat of many colors.*

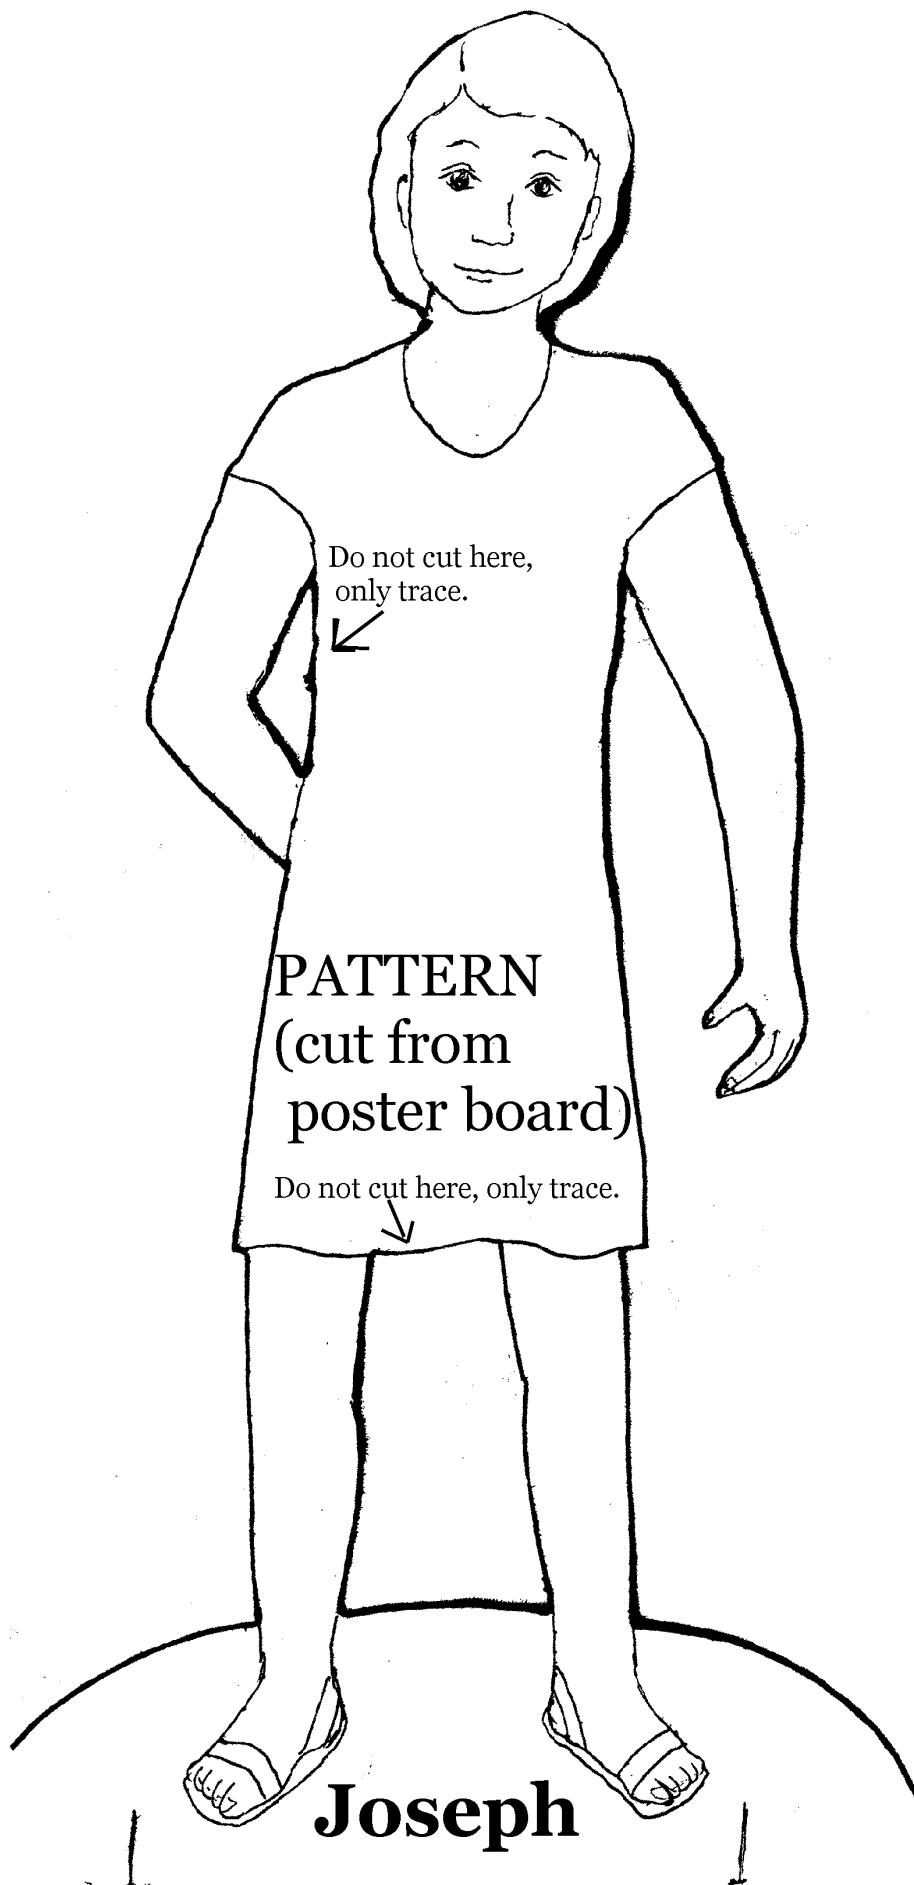

## **Preparation**

1. For each child trace a Joseph and a stand from a piece of card stock or poster board.
2. Glue some craft sticks to the back of Joseph to make him stand straight.
3. Cut tunics out of construction paper.  
*Note: The pattern has no tabs on the side, but it would be good to add one on the side.*
4. Cut out many colorful strips of cloth.

## **Doing the project**

1. Have children glue cloth strips onto tunic.
2. Have them color Joseph.
3. Now they can put on Joseph's tunic of many colors.

(from the Oak Arbor New Church Sunday School lesson on Joseph and the Coat of Many Colors)

Do not cut here,  
only trace.

**PATTERN**  
(cut from  
poster board)

Do not cut here, only trace.
