

Our Heavenly Father Project

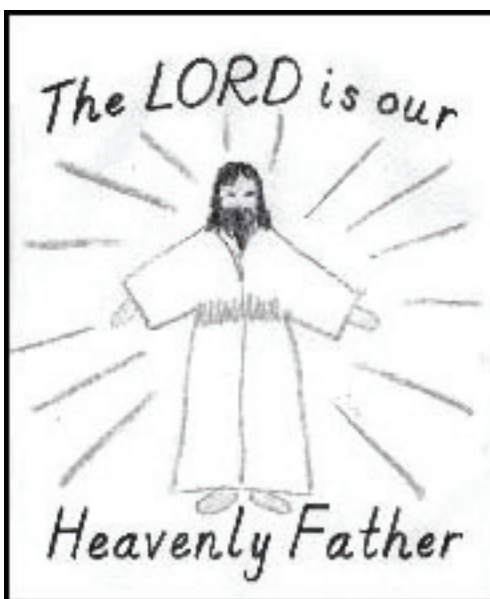

Visualize the Lord as our loving Heavenly Father by drawing a picture of Him.

Supplies:

1 printed page
1 piece of sturdy red paper
markers or crayons
glue
glitter

Project instructions:

1. Draw a picture of the Lord as you think of Him in the center of the page.
2. Glue the completed page onto the red paper, so that it forms a frame around your picture.
3. Use glue to make lines radiating from the Lord. Sprinkle on gold glitter while the glue is wet. This is to show His special heavenly qualities.
4. You may want to hang this picture near the Word.
