

## The Lord Has Many Names Wheel Project

This project helps children identify various names of the Lord and think about His many qualities.

### Supplies needed

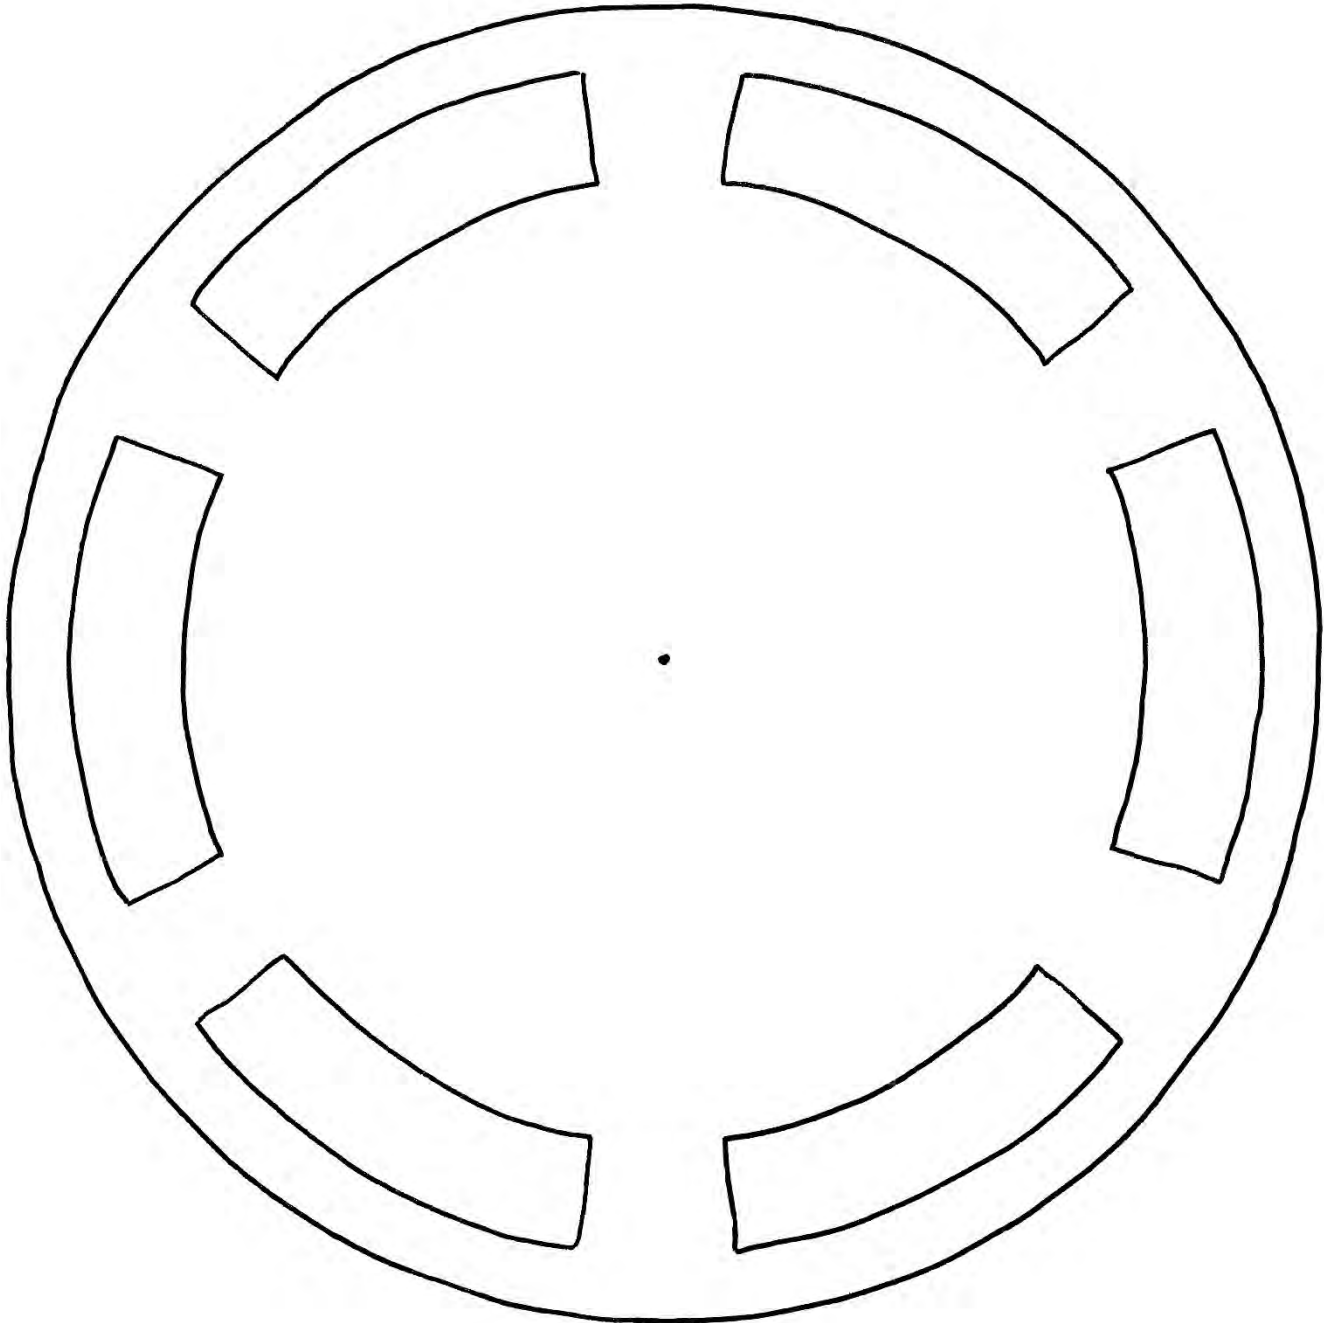

- 1 piece stiff white paper approx. 8½"x11" (21cm x 28cm)
- 1 piece stiff red paper approx. 8½"x11" (21cm x 28cm)
- 1 brass brad (paper fastener)
- oil pastels or crayons
- scissors
- pencil

### Directions

1. Copy the Names of the Lord Page Template on to stiff white paper.
2. Copy the Circle Template on to stiff red paper.
3. How many names can you think of for the Lord? Make a list of them, for example Lord, Jesus, God, Christ, Messiah, Heavenly Father, King, Shepherd, Creator, Savior, Redeemer, Almighty, etc. Choose six of these names. Using a pencil, write each name in a space marked on the stiff white paper.
4. Cut out the window marked on the stiff red paper.
5. Cut out the circles of stiff red and white paper.
6. Place the red circle on top of the white circle and attach them in the center using the brass brad (paper fastener).
7. With crayons, make a picture of the Lord in the center of the red circle. The fastener can be part of the waistband.
8. Now you can turn the red circle around and show the names of the Lord you have learned.
