

What Surrounds You? | Joshua 9

The Gibeonites deceived Joshua by changing their appearance. In this world we can appear differently on the outside than we are on the inside, but in the spiritual world we will not be able to do this. Our surroundings will be a mirror of what we are like inside. Draw pictures to show the kinds of things surrounding a good person, and the kinds of things surrounding an evil person. For more on a person's surroundings in heaven see *Divine Love and Wisdom* 322-326.

Things surrounding heavenly people are an image of what they love.

Things surrounding selfish or evil people are an image of what they love.
