

The Prophets Elijah and Elisha

Directions:

Color Elijah and Elisha as you wish.

Cut out the figures along the dark lines.

Give Elijah a mantle (cape) by cutting a small piece of cloth.

Using the Figures:

1. Retell the story of Elijah being taken into heaven and leaving his mantle for Elisha.
2. First put the mantle (cape) on Elijah.
3. Then put it in Elijah's hand so that he can divide the waters of Jordan.
4. Elijah drops the mantle and is taken into heaven in a fiery chariot.
5. Now Elisha can use the mantle to divide the waters of Jordan and cross over to the other side.
6. Then put the mantle on Elisha.
