

# Religion in Daily Life: Reading the Lord's Word

The Lord speaks to us when we read or listen to the reading of His Word. He can also teach us by means of other people when we discuss the truths of the Word and ways to apply them. Here are some ideas for making the Word part of your daily life.

- Set aside an area in your home for the Word.
- Read the Word at the start of your day, after dinner, in worship, or at bedtime.
- Reflect on the story: Who are the key people? What is happening? How do the people in the story feel? What is the Lord telling us in this part of His Word? How might this help you in your life?
- Everything in the Word reflects some aspect of the Lord. Think about what idea of God is presented when you are reading the Word.
