I'm Joseph Your Brother!

Children will learn an action song to take the story to heart. Learn the song by watching and listening to an online video. Download the sound track in mp3 format. Play in class and sing along!

Chorus: I'm Joseph your brother! Is father alive?
Put one hand on chest / Hold arms up with elbows bent in question
I'm Joseph your brother, sent here to save lives.
Put one hand on chest / Raise both arms up to chest as if lifting something
I'm Joseph your brother, see Benjamin's here!
Put one hand on chest / Hold one hand out
So happy to see you all, please, please come near!
Hug yourself / Beckon with both hands

Joseph made all of the people go out.
Put one arm straight out with finger pointed
He cried out aloud and without any doubt,
Shake both hands in the air in joy
"I'm Joseph your brother, do not be alarmed
Put one hand on chest / Shake head
God sent me to Egypt to save you from harm."
Spread one arm out / Spread the other arm out

Chorus

For two years the famine has been in the land.
Hold up two fingers / Put both hands on stomach as if hungry
Five more years of hunger remain in God's plan.
Hold out five fingers
God sent me before you so He could save lives!
Spread one arm out / Spread the other arm out
Come live here in Egypt with your flocks and wives!
Beckon with both hands / Spread one arm out and then the other

Chorus
