

## **The Four Horses**

Words and music by Christine Taylor, arranged by Brahm Genzlinger  
Used by generous permission

### **Chorus**

Gallop, gallop, gallop, gallop,  
Gallop out of the scroll.

A white horse, and rider with crown and a bow;  
He rode out to conquer his evil foe.

### **Chorus**

A red horse, a black horse, and one that was pale,  
Their riders were evil, but good prevailed.

### **Chorus**

The seals were all broken, the scroll was all opened;  
The Lord took His power and reigned!
